SUPPLEMENT TO CUMULATIVE INDEX TO PUBLICATIONS OF THE COMMITTEE ON UN-AMERICAN ACTIVITIES, 1955 THROUGH 1960, INCLUSIVE

This is a supplement covering the years 1955 through 1960 to the "Cumulative Index to Publications of the Committee on Un-American Activities, 1938-54."

The fact that a name appears in this index is not per se an indication of a record of subversive activities. It simply indicates that said individual, publication, or organization has been mentioned in a hearing, report, or consultation. A careful check of references in the hearing, report, or consultation will determine the circumstances under which such individual, publication, or organization is named.

INDEX TO FACTS ON COMMUNISM—VOLUME II

[EXPLANATORY NOTE: A great variety in the spelling of proper names appears in this volume of Facts on Communism, due to the use of numerous quotations from works in English and other languages. This index does not attempt to reflect every spelling variant. Russian names appearing in the index follow a transliteration system which corresponds closely to the original Russian, with the exception of widely-known Russian personages and organizations which retain the popular Western spelling.]
